

LETS link ! Networking Event

Saturday 13th June 2009 from 11am onwards

for everyone involved in or interested in joining LETS in London

LETS are Local Exchange Trading Schemes - mutual support networks in which people trade goods and services using community credits, either “hours” or a named currency in parallel to sterling. In London we have a number of independent local groups, as well as a city-wide network, which enables groups to connect with each other and to find new members.

We are still in the early stages of exploring the potential of new online systems, and this is an opportunity to share organisational and technical knowledge, and meet up with other LETS enthusiasts to form new alliances.

DRAFT PROGRAMME

11am: Registration, coffee, and informal networking

12noon: Presentation on systems and organisation for LETS in London, including local groups

1pm: Lunch - please bring food to share

2pm: Lets play LETS- a networking game

3pm: Circle time - individual presentations and feedback

4pm: Afternoon tea and informal networking with Open Space and online individual sessions

5pm: Forum, feedback, elections, and forward planning for LETS in London

6pm: Entertainments from the floor featuring artists from “Refugees and the Arts”

The above agenda is flexible and subject to change according to presentations offered.

Membership of London-wide LETS is by exchange - please bring cheques/cash. Also bring craft items to sell, and leaflets about activities you offer on the scheme, or about your local group. Stallholders are invited to share income by negotiation with the organisers.
